Welcome to Fall 2024 Dairy Goat Sale

Greetings producers, consignors and buyers:

Our fall sale features some excellent quality animals.

Once again, this sale has some CAE negative tested doelings and some animals with CAE prevention in place.

The board is working hard, looking at the doelings before the sale to keep our quality high.

We invite you to come bid with confidence.

2024 Commercial High Grade Buck Standards:

- All Buck Dams must be production does on Official DHI Test, with proven production of 3000# in 305 days.

- All Bucks must be inspected, tested CAE negative, and if all ancestry records are judged adequate, will be officially tattooed by CSDG. This tattoo will be a lifetime mark that will be used to record the buck's career.
