# Welcome to Spring 2023 Dairy Goat Sale

Greetings producers, consignors and buyers:

We are continuing to break out the Tested CAE negative does and doelings for this sale. With profits being squeezed thin by ever rising costs, its important that your herd be on its best health, and we hope this will encourage producers to do that. Our spring sale features some excellent quality animals, and expect more by sale day. We invite you to come bid with confidence.
